About the Hispano Chamber of Commerce de Las Cruces:

The Hispano Chamber of Commerce de Las Cruces, through its diverse membership, advocates for business growth in the community and promotes Las Cruces and Hispanic business owners through economic development, education, community service, and cultural awareness. The Hispano Chamber of Commerce de Las Cruces was initiated in 1992 as the Hispano Chamber of Doña Ana County, and in 1994 incorporated as The Hispano Chamber of Commerce de Las Cruces. The original founders consisted of a group of businesspersons interested in developing a support organization for small, Hispanic businesses. Today, a 15-member board of community business leaders administers the Chamber.
